SSSDP Programmes under the Study Subsidy Scheme for Designated Professions/Sectors for the 2022/23 academic year

2022/23學年「指定專業 / 界別課程資助計劃」下開辦的課程

The Government of the HKSAR introduced the 'Study Subsidy Scheme for Designated Professions/Sectors (SSSDP)' in the 2015/16 academic year and regularized the Scheme from the 2018/19 academic year. In the 2022/23 academic year, the number of subsidized undergraduate places offered by the University has been increased to 1,235, benefitting more students.

The intake places of the designated undergraduate programmes under the SSSDP are mainly allocated through the Joint University Programmes Admissions System (JUPAS). Should there be unfilled intake places, the SSSDP participating institutions will admit local non-JUPAS applicants via direct admission of no more than 10% of the subsidized places of each selected programme.

Under the SSSDP, students will be eligible for an annual subsidy* of up to HK\$44,240 (non-laboratory-based programmes) or HK\$77,040 (laboratory-based programmes) for the 2022/23 academic year. For details, please visit <https://admissions.hkmu.edu.hk/ug/student-finance/government-subsidies>.

* Only **local students** are eligible for subsidy under the SSSDP. Local applicants who have only obtained HKDSE Examination results should apply through JUPAS.

The HKMU offers the following undergraduate programmes under the SSSDP in the 2022/23 academic year:
